This bill would provide that a public entity of the state is ineligible for any grants, loans, or loan guarantees from, or any other financial incentive administered by, the board, if the entity disposes or causes the disposal of solid waste at a facility within the state that does not meet standards that are as stringent as the state standards or at a facility located outside the state.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
